Title: Risk Integrated System of Closure (RISC), Technical Guide and Users Guide

Identification Number: W-0046

Date Originally Effective: February 15, 2001

Dates Revised: October 2002

***Other Policies Repealed or Amended:** 1) LUST portion of the 1994 UST Branch Guidance Manual 2) Hazardous Waste Management Unit Closure Guidance, Nonrule Policy Document 3) Voluntary Remediation Program Resource Guide, July 1996

Brief Description of Subject Matter: Provides a description of the Agency's policy on the application of risk assessments to obtain closure of sites in the voluntary remediation program, leaking underground storage tank program, state cleanup program and RCRA closure and corrective action program.

Citations Affected: None

This nonrule policy document is intended solely as guidance and does not have the effect of law or represent formal Indiana Department of Environmental Management (IDEM) decisions or final actions. This nonrule policy document shall be used in conjunction with applicable laws. It does not replace applicable laws, and if it conflicts with these laws, the laws shall control. This nonrule policy document may be put into effect by IDEM thirty days after presentation to the appropriate board and after it is made available to public inspection and comment, pursuant to IC 13-14-1-11.5. If the nonrule policy is presented to more than one board, it will be effective thirty days after presentation to the last. IDEM will submit the policy to the Indiana Register for publication. Revisions to the policy will follow the same procedure of presentation to the board and publication.

Risk Integrated System of Closure Technical Guide Users Guide

*There is a 1 year transition period during which time applicants may choose to use RISC or previous guidance.
